## MESSAGE FROM THE PRINCIPAL

Founded in 2023, Govt. Model Women College, Chenga, is a shining example of higher education, thanks to the enthusiastic participation of staff, students, locals, and distinguished guests. It makes the claim that higher education is a driving force behind social advancement and that it is essential in developing students into leaders who can successfully navigate the fast-paced world of today.

Nestled amidst the serene beauty of nature and a verdant campus, the college boasts modern facilities catering to both academic and extracurricular pursuits. Equipped with state-of-the-art digital classrooms and a fully air-conditioned library stocked with a vast array of Online Educational Resources (OER), the college provides an optimal environment for students to acquire knowledge.

The college takes pride in its collaborative partnerships with stakeholders, including parents, the Rash Committee, and neighbouring communities, fostering excellence in academics, sports, culture, and research. Recent enhancements to the curriculum include the introduction of a Yoga Certificate Course, Kung Fu training, and other value-added programs aimed at enhancing students' physical and mental well-being.

Adopting the National Education Policy 2020 (NEP 2020) curriculum under Gauhati University since the 2023-24 academic session, the college is set to implement NEP 2020-based programs under Bhattadev University from the 2024-25 academic year, following directives from the honorable Governor of Assam. These regulations, tailored for colleges under Bhattadev University, embrace NEP-2020's vision, incorporating a Choice Based Credit System (CBCS) mode with provisions for multiple entry-exit and an Academic Bank of Credit. Designed to be student-centric, these programs and courses aim to mold a new generation equipped with holistic knowledge, empowering them to seize promising opportunities. By taking these proactive steps, Govt Model Women College is demonstrating its unwavering commitment to assisting young people in achieving success and prosperity in the future. I extend a hearty welcome to all prospective students and encourage them to make use of the college's academic resources in order to gain knowledge and advance the goal of Viksit Bharat 2047.

Dr. Pradip Das, M.Sc, PhD  
Principal

## 2.3 PROGRAMMES OF STUDY

The College provides Four Year Under-Graduate Course (FYUGP) in Arts (B.A) under Bhattadev University as per the rules and regulations of it.

*Curricular Components*

The entire FYUGP curriculum is divided into two parts–

- (a) Core Courses and
- (b) Common Courses

### *A. Core Courses*

The core courses constitute Majors and Minors. A student will choose one Major subject and a Minor subject. Different options are described in the next section. All core courses have a credit allocation of 4. Altogether, irrespective of any Major or Minor options, a student will necessarily need to study 21 courses with total credit allocation of 84 over a 3-year programme. In four years programme, minimum credit required for major is 80 and minor is 32.

#### *Major Course*

The minimum credit requirement for a Major Course over a 3-year period is 60, accumulated from 15 Courses and 80 credits for 4 years UG programme from 20 Courses.

#### *Minor Course*

The minimum credit requirement for a Minor Course over a 3-year period is 24, accumulated from 6 papers and 32 credits for 4-year UG programme from 8 Courses.

#### *Double Major Course*

Provided a student has a Major Course with 60 credits, he/she can convert his/her Minor Course to a Double Major only with a credit allocation of 48 for 3 years and 64 for 4 years.

As per the NEP guidelines, the following courses will have to be studied by all students of FYUGP:

#### *Value Addition Courses (VAC)*

The VAC courses will come from four sub-groups—

- i** Understanding India,
- ii** Environmental Science,
- iii** Digital and Technological Solutions, and
- iv** Health & Wellness, Yoga Education, Sports, and Fitness.

*\*All together they will have a credit allocation of 8.*

- Each student will have to take any two courses, each of 4-credits, from any four groups during Semesters 1 & 2. Here one course from the Environmental Science group is compulsory except if the student takes a core course on Environmental Science.
- Ability Enhancement Courses (AEC): It includes Modern Indian Languages (MIL) and English Usage (Communication) and AEC is divided into four Courses each of 2 credits from semester 1–4.

Each student needs to complete four courses of 2 credits each— two from English Usage and other two from the group of MIL, especially designed for this purpose. These courses have to be taken during Semesters 1–4.

- Interdisciplinary Courses: These are 3-credit courses spanning over different groups of subjects Humanities and Social Sciences. The level of these courses is of 0–99.

Each student needs to take up any three courses; each with 3-credits from these five sub-groups during Semesters I–III and these courses should not be studied at higher secondary level.

- Skill Enhancement Courses (SEC): These are various skill courses with total credit allocation of 9. In our structure, we shall have 3 (three) skill courses starting from Semesters I–III.
- Internship: All students are to carry out an Internship with a credit allocation of 4. The internship can be carried out within six semesters. As internships are meant to be done during semester breaks, they will not interfere with other classes.
- Vocational Courses

All credits a student earns at the end of an examination in BU-FYUGP will be deposited in the ABC by the university.

As such it is mandatory that a student under BU-FYUGP registers for the ABC as notified by the regulatory agencies.

## 2.4 ENTRY AND EXITS

2.4.1 *The entry and exits during the whole course structure is given below:*

### a. After 1 Year (Certificate in UG programme)

One can exit just after one-year. In this case, the student will have to complete one extra vocational course (Exit Course) of 4 credits and can exit

the programme. The student will get a Certificate. The minimum total credit requirement is 40 (and 4 credits extra for the exit vocational course).

**b. After 2 Years (Diploma in UG programme)**

One can exit the programme after two-years as well. In this case, the student will have to complete one extra vocational course of 4 credits and can exit the programme. The student will get a Diploma. The minimum total credit requirement is 80 (and 4 credits extra for the exit vocational course).

**c. After 3 Years (UG Degree)**

If a student completes 3 years and earns required credit, she/he will be awarded Bachelor's Degree with major or with double major.

**d. After 4 Years [Bachelor's Degree (Honours/Honours with Research)]**

After completion of 4 years, the student gets either a Bachelor's Degree (Honours) or a Bachelor's Degree (Honours with Research) with single or double major depending on the credit he/she has earned. Students will be eligible for Honours with Research, if he/she earns at least 75% marks or equivalent CGPA in the first six semesters. For Honours with Research a student needs to complete a 12 credit Course on Research Project/Dissertation.

**2.4.2 Multiple entries and exits:**

As per UGC's curriculum framework (December 2022)

**2.4.3 Inter University Mobility:**

The BU-FYUGP allows a student for inter-university mobility, both for incoming and outgoing students. For this, BU will take into account the credits a student has in his/her ABC. For an incoming student, the following should be observed:

- a. The entry is subject to availability of seats in the concerned discipline.
- b. The student needs to fulfil all the academic prerequisites of the concerned discipline.

## 2.5 DEGREE OPTIONS

- Single Major (3 year Degree)
- Double Major (3 year Degree)
- Honours (4 year Degree)
- Honours with Research (4 year Degree) (Conditions as per NEP).

## PART-III

### 3 ADDITIONAL ACADEMIC COURSES

Additional academic courses have been integrated into the curriculum to enrich the educational experience. These supplementary courses offer students the opportunity to delve deeper into various subjects beyond the standard curriculum. By expanding the range of academic offerings, the institution aims to provide students with a comprehensive and diversified learning environment. These courses are designed to cater to the diverse interests and academic aspirations of students, fostering a culture of lifelong learning and intellectual exploration. Through these additional academic courses, students can broaden their knowledge base, acquire new skills, and engage in interdisciplinary studies, thereby enhancing their academic and personal growth.

#### 3.1 SWAYAM

The Ministry of Human Resource Development introduced 'SWAYAM,' an online platform designed to deliver top-notch education directly to users. It offers interactive learning experiences through NPTEL, MOOCs, etc such as video lectures, reading materials, and assignments, and allows participants to earn credits through assessments. With over 400 courses spanning undergraduate and postgraduate levels, SWAYAM caters to a wide range of subjects.

#### 3.2 NPTEL

NPTEL, an initiative by the Government of India's Ministry of Education, provides online courses spanning diverse fields such as engineering, sciences, humanities, and management. These courses, crafted and instructed by esteemed faculty hailing from institutions like the Indian Institutes of Technology (IITs) and Indian Institutes of Science Education and Research (IISERs), are freely accessible to all through the NPTEL website. Learners have the opportunity to earn certificates upon successful completion of course assessments, fostering a culture of accessible and accredited learning.

### 3.3 MOOCs

MOOCs represent online courses designed for unrestricted participation and universal internet access. They are provided by various educational institutions, including universities and online learning platforms, frequently in collaboration with each other. Covering a broad spectrum of subjects ranging from computer science and mathematics to humanities and social sciences, these courses typically integrate video lectures, interactive quizzes, assignments, and discussion forums to facilitate learning. Platforms like Coursera, edX, and Udacity host MOOCs from universities worldwide, enabling learners to access quality education from any location. While many MOOCs allow free auditing, participants often have the option to pay for a completion certificate or even earn academic credit in certain instances.
